

INFORMED CONSENT FORM

Thank you for considering taking part in this research.

Please complete this form after you have read the Information Sheet and/or listened to an explanation about the research.

Title of Study: Perceptions and challenges for poultry producers implementing biosecurity in the UK

University of Surrey Ref: 1762

The person asking for your consent must explain the project to you before you agree to take part. If you have any questions about the Information Sheet or their explanation, please ask the researcher before you make your decision. You will be given a copy of this Consent Form and the Information Sheet to keep and refer to at any time.

By **initialling** each box, you are consenting to this part of the study. Any un-initialled boxes will mean that you DO NOT agree to that part of the study, and this may mean you are ineligible for the study.

Taking part in the study		
	Statement	Please initial each box
1	I confirm that I have read and understood the information sheet dated Version 2.0 23.06.26 for the above study. I have had the opportunity to consider the information and asked questions which have been answered satisfactorily.	
2	I understand that my participation is voluntary and that I am free to withdraw at any time during the study without giving any reason. Furthermore, I understand that data already collected can only be withdrawn up to 31 days (1 month) following completion of the survey if I have provided contact details or personal data that is sufficient to identify my survey response, and up to 31 days (1 month) following an online individual interview if I agree to have one following completion of the survey. After 1 month, I understand that my data will be completely anonymised and no longer retrievable for deletion.	
3	I understand that information I provide may be subject to review by responsible individuals from the University of Surrey and/or regulators for monitoring and audit purposes.	
4	I understand that information I provide will be used in various anonymised outputs, including a report, and potentially a conference presentation as well as a publication.	

Commented [AE1]: This text does not align with what we have in the participant information sheet. I suggest revising it.

"If you have completed the survey and submitted your answers it may be difficult to remove this data from the study as it will have been entered anonymously.

If you have stated at the end of the survey, you are happy for us to contact you for further correspondence we will then be able to identify your survey answers and remove them from the study."

Commented [KM2R1]: Hi Abel, sorry I thought this had already been addressed. I have changed the text accordingly.

5	I understand that if I choose to share my personal data, it will be kept securely in accordance with data protection guidelines and only be accessible to the immediate research team or responsible persons at the University.	
6	I understand that if I choose to share any personal contact details collected about me, such as my name and email address, this will not be shared beyond the study team at the University of Surrey.	
7	I agree that if I choose to disclose my personal contact details, these details will be stored by the research team at the University of Surrey, who may wish to invite me to participate in follow-up studies to this project or in future studies being conducted at the University of Surrey. I understand that if I do not wish for my contact details to be stored after this project ends (31st March 2027) then I can contact the research team at the University of Surrey to have my contact details deleted.	
8	If I agree to an online follow up interview, I consent to the transcript of the interview being used for the purposes stated in the information sheet.	
9	I agree to take part in this study.
